

BRIDGEHEAD®

Hello Lakeview families! We have an exciting new fundraiser for you. We are trying out a new coffee provider this year. I'm sure you've all heard of **Bridgehead**, our local coffeehouse and roastery. **Bridgehead** offers fairly-traded, organic and shade-grown coffees from small-scale farmers. We will be offering some of their more popular coffee blends as well as some teas. You can place your order on hotlunches.net and pre-order for the full term. We will be announcing some holiday offerings from **Bridgehead** by the end of November.

The coffee will be packaged in bags weighing 12oz | 340g and will cost \$13/package. You can choose to have it ground or leave it in whole bean format. A more complete description of these blends can be found on their website at: <http://www.bridgehead.ca/collections/coffee>

Centro House (Medium Roast House Blend)

The everyday classic with loads of caramel and cocoa flavour.

Bytown Boom (Dark Roast House Blend)

A classic dark profile with a strong, smooth & robust character.

Logdriver Espresso

Hardworking and nimble with a strong caramel and cocoa character that pairs well with milk.

Darn Tasty Decaf (Medium roast)

Full of flavour and proud of it, water processed for caffeine free delight.
