Reader Leader Training for Parents/Guardians

Lakeview P.S. is pleased to announce Reader Leader training for parents/guardians of students in Junior Kindergarten to Grade 3.

How to Read with your Child workshop will be offered on **Monday, January 13 from 8:20 a.m. to 10:20 a.m.** in the Lakeview P.S. library.

Janet Manhire, Learning Support Consultant and Janice Lizotte, Speech and Language Pathologist, will focus the training on how to read one-to-one with children using explicit reading techniques.

The program's goals are to maintain and develop a child's first language, highlight the importance of reading to children, describe the skills children acquire from being read to and share characteristics of normal language development. Explicit reading techniques such as: features of a book, reading interaction strategies and pre-literacy skills will also be covered. A brochure will soon be posted to the Lakeview web site (www.lakeviewps.ocdsb.ca)

If you are interested in attending, please return the form below **by Tuesday, January 7, 2014.** We are limiting registration to 25 participants. Consider yourself registered unless you receive a phone call from the school.

Please note, space in our parking lot is limited. Please do not park in our bus lanes or in front of our main door.

I would like to attend the Reader Leader training on **Monday, January 13, 2014.**
